DETAILED ACTION

1. Claims 11-17,19-27 and 29-31 are allowed.

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1-10,18 and 28 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 is indefinite because in line 8, there is no direct antecedent basis for the recitation of "the filters". Claim 8 is indefinite because in lines 2 and 3, there is no direct antecedent basis for the recitation of "the second side". Claim 18 is indefinite because in line 3, there is no direct antecedent basis for the recitation of "the second side". Claim 28 is indefinite because in line 3, there is no direct antecedent basis for the recitation of "the second side". Claims 2-7,9 and 10 are indefinite because they depend from indefinite claim 1.

4. Claims 1-10,18 and 28 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

5. The references listed on both the PTO-1449 and the PTO-892 show art of interest only, over which the claims define allowable subject matter.

6. Applicants' response to this Office action should also include the following editorial changes: para. [0013], line 7, "form" should be "formed"; para. [0015], line 5, "form" should be "formed"; para. [0017], line 6, "an" should be "and"; para. [0019], line 2, "an" should be inserted before "embodiment"; para. [0023], line 4, "form" should be

"formed"; para. [0028], line 7, "the" should be inserted after "from"; and, in claim 11, line 5, "filters elements" should be "filter elements".
